

TECHNICAL DATA

Plastic Spiral Wraps

Temperature range -50°C to +85°C

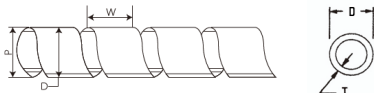

■ STRUCTURE

- Material: PE

■ PROPERTIES

- halogen-free
- Flame Retardant : VW-1

■ APPLICATION

Part no.	Size D(mm)	W (mm)	T (mm)	Colour	Bundle Ø mm	Packaging unit (in m)
1891000	8	12	0.55	white	6.4~63.3	10
1891001	8	12	0.55	black	6.4~63.3	10
1891002	13	15	0.55	white	9.8~105.6	10
1891003	13	15	0.55	black	9.8~105.6	10
1891004	16	20	0.65	white	12.8~117.3	10
1891005	16	20	0.65	black	12.8~117.3	10

- Machine and plant construction
- Robotics
- Automation technology
- Vehicle construction and shipbuilding
- Railway technology
- Installation technology
- Control cabinet construction
- Protects wiring harnesses, wires and lines. Bundles and binds single wires and provides mechanical protection for loosely installed or moving cables and lines.

■ NOTES

- Other materials or colours on request.
